

TOP 5 REASONS TO USE THE ROOT

Ensures high quality care for your patients

Provides a 'temperature check' of your overall outcomes, supporting SLTs with their clinical decision making and reflective practice

Supports improvement of your speech and language therapy services

Informs on decisions about service delivery and evidences the need for change

Highlights the impact of your service to key stakeholders, including funders and commissioners

Enables SLTs to demonstrate the difference that they make and showcase the value of speech and language therapy

Evaluates the impact of your interventions

Assists with identifying what is working well and where there are areas for improvement

Gives your service a role in influencing at a local and national level

Provides a wealth of information that can be used by the RCSLT and its members to illustrate the role and impact of speech and language therapy

"ROOT equips us with a means of highlighting the areas where we have effected positive change"
